Forecast For Northwest England
Issued by Met Office Exeter
at 0400 on Tuesday 07 Sep 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Hot sunshine for many today.

Today:
A bright start for many on Tuesday with any fog patches soon clearing. Feeling very warm to locally hot by the afternoon with prolonged sunshine throughout the day. Maximum temperature 28 deg C (82 deg F).

Tonight:
A fine end to the day with late sunshine. Further clear skies into the night, bringing a risk of some fog patches. Staying dry throughout but feeling humid. Minimum temperature 14 deg C (57 deg F).

Wednesday:
Plenty of sunshine on Wednesday and feeling very warm to locally hot. Skies clouding over later as cloud moves in from the west. Maximum temperature 28 deg C (82 deg F).

Outlook for Thursday to Saturday:
Scattered showers on Thursday and Friday, heavier and possibly thundery on Thursday. Drier on Saturday but a few showers are still possible. Turning cooler.
